### Commitment

The privacy of visitors and customers of our existing and previous websites is very important to us. FXTM is committed to maintaining any information we collect, use and store about you.

### 2. Information acquisition

When you register a demo or real account with FXTM, we need to obtain some of your personal information for business purposes. By understanding your financial needs, we can notarize your needs and provide you with the most suitable products and services, give you appropriate information on investment strategies, process your requirements and transactions, and provide sales and after-sales service.

#### **We need your personal information:**

- Application and Form for Personal and Financial Information for Online Registration
- Some documents are required to prove your identity and place of residence, such as passport, ID card, utility bill or bank statement.

*Please note that when you choose to end your working relationship with FXTM, we must keep a record of your personal data for 5 years.*

### 3. Use of personal information

#### **The following list demonstrates why FXTM needs your profile:**

- Verify your identity
- To ensure your suitability for our products and services
- To manage the accounts you hold
- To process your transaction order
- In order to send you information about services during / after trading
- To keep you up-to-date on products, services and any other materials relevant to your working relationship with FXTM
- To improve the web
- In order to analyze and statistical data, help us to provide you with better products and services in the future

### 4. Cookies

Cookies are small pieces of data that record a web page you visit for the first time. If you log in to the site again in the future, the cookie data will remember the scene you first used. For example, you can remember your username and password. Cookies on this page facilitate the provision of a more personalized browsing experience for our users.

If you do not agree with our [cookie](#) policy you can disable cookies but you can still browse our website.

### 5. Security and protection

FXTM is commissioned to securely protect your personal data by adhering to strict security standards and using the most advanced security technologies.

### 6. Your consent

Once you visit this website, you agree that FXTM can store, use and disclose your personal data in accordance with the privacy policy.

### 7. Your rights

In compliance with data protection laws, every user is granted the right to affect their personal information. These rights include accessing and / or modifying your personal data, preventing the processing of that data and preventing bad marketing. FXTM ensures that your personal data is protected in compliance with applicable personal information protection laws and regulations.
